Why Choose Masonry

In Freemasonry -

- You are more likely to find trust of others.
- Within moral and civil guidelines, free thought, free speaking and the spiritual growth of man can grow to its fullest potential.
- Opportunity exists to meet, know, and call another a "Brother.". You will find outstanding individuals from all walks of life who you would not otherwise have met.
- You can be part of an organization that has for its principle tenets, Brotherly Love, Relief, and Truth.
- Self-development opportunities, leadership training and experience, and the chance to improve public speaking skills are abundantly available.
- You can give support, and equally seek support from others.
- Moral virtues are experienced and taught.
- You can become a better man. Not better than others, but better than you would have otherwise been.
- You will learn to better serve family, community and friends. .
- You will meet with members involved in the community and to become part of that community.
- You may find yourself!

In February we will show appreciation for WM George Washington, the first President of our magnificent country. As we honor the person, we also celebrate 200 plus, years of freedom democracy and peace, while in his image we see a brother Master Mason who by the virtue of his nature and education was able to bring forth a most righteous history for all of us in this country to enjoy

The **George Washington Masonic National Memorial** is a Masonic building and memorial located in Alexandria, Virginia, outside Washington, D.C. It is dedicated to the memory of George Washington, the first President of the United States and a Mason. The tower is fashioned after the ancient Lighthouse of Alexandria in Egypt. The 333-foot (101 m) tall memorial sits atop Shooter's Hill (also known as Shuter's Hill) at 101 Callahan Drive. Construction began in 1922, the building was dedicated in 1932, and the interior finally completed in 1970. In July 2015, it was designated a National Historic Landmark.
