Master's Word

Brethren,
February is upon us and its George Washington observance month. At the February stated meeting there will be set aside some time to reflect upon this historic Brother. Not about how he was our first president or a general, But about him as a Mason .

We will also be voting on two amendments to our bylaws . I hope this stated meeting is well attended so everyone has a chance express their opinion and vote their conscience.

On a different note; as officers move up the line of the lodge it will be your duty at some point to set up degrees. Often times you will discover that it's difficult to find a brother that knows or is able to give a lecture, a charge, or even a small speech. Many of the Brothers giving these lectures and charges have been doing so for many years. I would like to encourage any brother / member of Nellis lodge that would like to learn and practice a part big or small to join us at our Monday practices at 6pm at the MMT. I know Nellis lodge is full of talent and potential, so come find yours with us.

As Master its always good for me to see the seats regularly filled and even though the year just started, I'm hoping we will receive a lot of traveling brethren from around the world. I want them to witness first class degree work as Nellis has historically done.

So come around, get involved, learn a part. See you all in February.
Fraternally yours
Michael Riitano
