The Master's Message

Greetings Brethren,

Despite the curveball thrown at us this year, we've been doing our best to catch up on our Masonic work. We've initiated 5 new Brothers, and have another Entered Apprentice degree on 10/13 and a Master Mason degree on 10/20. Through social media and PR efforts from the Grand Lodge of Nevada, our Lodge has been quite successful at attracting interest. If you are willing, and in good health, please come down and meet your new (and soon to be new) Brethren.

The Grand Master of Masons in Nevada, Louis J. Castle II, has invited all Master Masons to all activities at the Annual Communication this year. Please register and send in your payments by October 16, 2020 to participate. Information can be found here: <https://nvmasons.org/ac>

I would like to thank our Junior Warden, Bro. Christopher Lee, for his outstanding meal preparation this year, especially during the Grand Master's visit. I would also like to thank WB Jerry McCorkle for working with our new Brothers to get them prepared for proficiencies. Thanks to WB David Swallow for this excellent lecture work the past few months, Bro. Ressi Esguerra (SW at Vegas 32) for delivering the charges and a special thanks to WB Jeff Byrne for his wise counsel and invaluable guidance to our officers in his capacity as DGL.

Please also consider donating what you can to the GoFundMe fundraiser for the daughter-in-law of our Brother Charlie Smith. The family is facing unfathomable hospital bills, and any relief would be most appreciated:

Finally, Brethren, given the current social, political and economic situation we are in, always keep your faith in the Supreme Architect of the Universe. Remember, that when the strength and wisdom of man fails, there is an inexhaustible supply above.

Be Safe. Be True. Be Masons.

Sincerely & Fraternaly,

--Keith Levenson
Worshipful Master

From the West

Fortitude is that noble and steady purpose of the mind whereby we are enabled to undergo any pain, peril, or danger, when prudently deemed expedient. Listening to WB Swallow give the first degree lecture the other night reminded me of how we as brothers faced this year.

Webster defines fortitude as strength of mind that enables a person to encounter danger or bear pain or adversity with courage. This year has been challenging to say the least. But we have been able to persevere and face the challenge head on. We came back strong. We initiated new members and found ways to persevere in the face adversity.

This is what makes Masons special and why we are the oldest fraternity in the world. No matter what we face, we will persevere and will come out stronger. No matter how many times I hear the lectures, the words continue to resonate with me.

Fraternally,
Tim Kaftanic,
Senior Warden
