APRIL 1963

Las Vegas,

FROM THE SOUTH:

Brethern:

My brothers, to me has been given the privilege of communicating with each of you as a Mason.

Since our dispensation last November, we have moved steadily forward toward goal to make Nellis Lodge one of the foremost Lodges in Southern Nevada. In order to continue along this path we must, each one of us, strive to give the Lodge all possible support by regular attendance and increasing our membership. We don't go out and ask anyone to consider joining our fraternity, but this doesn't mean we shouldn't make the topic of conversation among our friends. Continuous mention at the Lodge and the fellowship that exists there will raise your friends' curiosity and you will soon have them asking about the requirements and stating a desire to join us.

I was surprised to hear a brother state that on being called on the phone and asked if he were a Mason, he was reluctant to commit himself. Masonry did not suit the years on this stand. Be proud of the fact that you are a Mason. Your friend is not going to feel too interested in an organization of which you, as a member, are proud of.

Let's all give Masonry a hearty and united boost in this jurisdiction by making our own Lodge one of the largest and most talked about Lodge in Southern Nevada.

Fraternally,

~~DONALD G. HINES~~ Albert W. Cutler  
Senior Warden Jr. Warden
