MARCH 1963

Las Vegas

FROM THE WEST:

Brethern:

Lack of enthusiastic support and participation of the observance of Washington Birthday, Public School Observance Week, and other Masonic activities, has reached the point of almost becoming disgraceful.

The phrase, "It is time for Masons to stand up and be counted," has no meaning because there is no one there to stand up, let alone be counted. Possibly the phrase "card carrying Masons" would be more appropriate, even though it is stated jokingly between Masons, it is closer to the truth.

I think it is time we ask ourselves "Why we become Masons?" We should review each Degree, especially the obligation, and refresh our minds to the meaning of it. If we really believe in the things we have sworn to then we should give all our support to all Masonic activities. We cannot expect the general public to support activities if we ourselves do not participate in them. We seem to find time for other activities, but when it comes to Masonry we find ourselves too busy.

It is time we put Masonry in its place at least on an equal basis with other activities or possibly above.

The De Molay will exemplify their first degree at our stated communication 14 March 1963. This will take only about 45 minutes. This is in support of De Molay Week and the outstanding De Molay chapters. Brethern, give your full support, be present.

Brother Carl Heath is still in the hospital in San Francisco and is recovering after his second operation. He will be there for a few months so please send a card to Brother Carl. I know he will appreciate it. His address is Fort Miley Hospital, Section 5A, Room 555, San Francisco, California.

Fraternally,

DONALD G. HINES  
Senior Warden

P.S. Dues are due, see the secretary
