Secretary's Message

I want to thank everyone for their thoughts and prayers following the seizure I experienced over the summer. I still have some medical tests to complete before I get a clear bill of health but I'm confident that everything will be just fine.

There will be no increases in dues this year but we have sent out the 2018 notices already. You still have several options for payment which include using PayPal from the Nellis website, we take credit & debit cards, checks & of course cash. I also want to stress; if you have a problem paying your dues to contact me, we can work something out.

I also want to thank everyone who assisted with the fireworks booth fund raiser. We didn't do as well as in past years due to several uncontrollable factors. Our old spot was not renewed by Albertson's so we were forced to take a less than ideal place. We are in the process of negotiating something better for next summer so we will just have to wait and see.

We are also committing to doing concessions at the Las Vegas Speedway. We are supposed to do a race at the end of September and there are other events we will try to get in on. We could also do some events at T-Mobile Arena along with the Speedway, including the EDC next spring. The only thing that will keep us from being successful is a lack of enthusiasm. Please see Brother Keith Levenson for more details.

Remember; our first meeting back is on Tuesday, September 5th. I hope to see everyone there.

Fraternally

Jim

Happy September Birthdays!!

Master's Message

Teachers

It is time again to welcome all of our Nellis Lodge brethren back as we resume labor after our summer break.

It is also a good time to resume our efforts in some important areas. We have had a very strong core of support from our past masters and dedicated Nellis brothers for many years. These brothers are so resolute about Masonry that they will they follow it wherever it will lead them, spending great amounts energy and valuable personal time assisting unquestioningly wherever needed, and in this way promoting the core teachings. Some devote all of their years to the benefit of the craft. Our membership is a diverse mixture of men in all phases of their lives. Many of the brothers have young families, and have little time to help, but many do have some time. Ask one of our more involved brothers why he will dedicate his time to the lodge, and almost always the answer will be, ... the more you put in to masonry, the more you get more you will get out of it... .

Occasionally one of our long time brothers will not be able to carry on, or a brother must move away for compelling reasons. Our lodge has suffered a number of setbacks because over the past few years for the reasons previously mentioned. You may have heard this cliché' before, but we are indeed looking for a few good men. We need help in a number of areas, such as lecturers, floor work, education, coaching, investigations, fund raising and more. If you think you can help in areas we have not mentioned let us know. Any of our line officer is a willing conduit for communications.
